Quickstart Guides

Getting started (https://readcoop.eu/transkribus/start/)

Download and Installation

Uploading Documents

Layout Analysis

Using the HTR

Model Training

💡

Before you start

You have two options to use Transkribus

Expert Client

The Expert Client is the standalone version of Transkribus with the full power of the
Transkribus platform. It works on Windows, Mac and Linux.

Transkribus lite

Transkribus lite is the web version of Transkribus with enhanced usability. Many of the
beloved features from the Transkribus Expert Client can be used also in Transkribus li
(https://transkribus.eu/lite).

All your work that is saved in your READ COOP account can be accessed through the Expert Client and Transkribus lite

(https://readcoop.eu)

Account ⌄

Getting started

In the following two videos you learn how to use the Transkribus Expert Client or Transkribus Lite. For this, you should first decide whether you want to use the Expert Client for more advanced purposes or Transkribus Lite in your browser with enhanced usability.
